25X1 1. [ ] Mr. William Saltonstall, Administrative Assistant to Senator Leverett Saltonstall, called at noon with reference to the Agency's invitation to the Senator to come out to the building and indicated that "if the invitation were extended for about 3:45 this afternoon the Senator would be able to accept". After checking I advised Bill that the Director would like very much to have the Senator out. He does have today, however, a meeting of the President's Board at 4:00; General Carter is out of the country, and Mr. Kirkpatrick will not be back from Carlisle until late in the afternoon. Bill indicated that he understood and that the Senator will try to make it another day. (See Journal Item of 25 March 1964.)

25X1 2. [ ] called and indicated that Mr. Gleason, the AEC liaison man, had requested release of a technical paper produced by us for transmittal by the Commission to JCAE in support of an AEC program. I advised Mr. Eagle that although I did not perceive any problem with the release from a legislative point of view he might want to suggest review by Dr. Chamberlain in the light of the Director's policy concerning release of studies which might be attributed to the Agency.

25X1 3. [ ] After checking with the DD/P, I called Jay Sourwine and advised him that we are unable to provide him with guidance as to the supposed existence or nonexistence of the [ ] 25X1 [ ] report on Lee Oswald's visit to the Soviet Union, and suggested that this is a question that he might care to refer to the Bureau or the President's Commission. (See Journal Item of 31 March 1964.)

25X1 4. [ ] Miss L. Marie Morrison of Congressman Harold R. Collier's office called and requested advice concerning a personnel interview for a friend of a member of the Missouri Legislature, if possible in St. Louis, who wants to apply for a position in the Agency. I advised her that I would check and be back in touch with her.

at his office in New York and advised him that Mr. Cord Meyer was processing out for about a month's absence from the city. I advised him further that I would be back to treat with him on his revised plan in Mr. Meyer's absence. I indicated further that I would insure appropriate review by the Agency. He thanked me very much and indicated that he would like to meet with me for lunch on Monday and would call me when he arrives in town Monday morning. (See Journal items of 30 and 31 March 1964.)

6. [redacted] In response to my call, Mrs. Jean Allen, Personal Secretary to Senator Eastland, advised that the Senator is back but that she would be unable to confirm a meeting time for Mr. Kirkpatrick and Mr. Warner before tomorrow morning. Williams (Delaware) indicating it was my understanding that CSA had indicated to the Senator that the Agency would be calling for an appropriate time when the Senator could see certain Agency representatives.
